

Advanced Critique Rubric

Points earned	Expression	Challenge	Presentation	Participation	Preparation
4	Content/Intent is challenging, unique, clearly thought out, and elements/principles clearly support interpretation	Resulting work shows clear refinement in previously unseen areas of both subject matter and media	Work is analyzed, interpreted, judged, and oral communication is clear and well organized	More than 5 comments	3 Art Value points earned and all support work is complete and on time
3	Content/Intent is clearly thought out and relationship to the visual work is evident	An attempt at improvement is evident or a change in approach or subject matter is evident	Work is analyzed, interpreted, and judged with some insight.	5 comments	3 Art Value points earned and not more than 1 support item or portion is late or incomplete
2	Content/Intent is weak or a clear connection to the visual work is unapparent.	Skill level is sustained and improvement is not attempted	Some of the analysis or interpretation is not presented.	3 -4comments	Less than 2 Art value points earned but all support items are on time Or 1 or more support items missing
1	Content/Intent is weak and a clear connection to the visual work is unapparent.	Work falls short of previous work in skill level and attempt.	Analysis and interpretation missing in presentation.	2 comments Or less	Less than 2 Art Value points earned and support items late/missing
