## The Advanced Sketchbook

The sketchbook will be graded on the accurate completion of each step in the directions, the creativity incorporated into each assignment, and the density with which the pages are created. Each page should be numbered, titled, and balanced by about 50% text/writing and 50% images. Dates and citations should appear frequently (at least once per page).

## Table of Contents

At the end of the first semester the Advanced Art sketchbook must include the following items (not necessarily listed in order):

Pages	Title	Date Completed
	Quick Sketch	
	Perspective Models	
	Original Landscape	
	Human Proportions	
	Value Scale	
	Value Key Models	
	Color Wheel	

Follow the directions online for your sketchbook preparation at jrieger.com.

Cut out and trim the Advanced Sketchbook Table of Contents on the left and paste it into your sketchbook on page I (roman numeral 1).
